Women's Automotive Association International

The 7th Annual
Professional Achievement
Award Dinner

MISSION STATEMENT

The Women's Automotive Association International (WAAI) is the automotive industry's premier professional organization that:

- recognizes the achievements of women in the industry;
- provides educational e-news of particular interest to women in the industry;
- builds relationships through networking and other forums;
- encourages growth through mentoring, educational endeavors, scholarships.

The focus of the Association is on the development and retention of women leaders and the education and support of all persons, without prejudice, who have an interest in the automotive industry.
