Dianne Ely
Campus President - Orlando
Universal Technical Institute, Inc.

Dianne Ely has 30 years of experience in education and business, and held various positions in management, operations and human resources. Ely joined Universal Technical Institute, Inc. in 2003 as campus president of Universal Technical Institute (UTI), Motorcycle Mechanics Institute and Marine Mechanics Institute (MMI) in Orlando. She is responsible for providing overall leadership to management and staff.

In alignment with UTI's core values and leadership principles, Ely directs campus initiatives for the three distinct brands at the Orlando campus. Her responsibilities include the evaluation, revision, implementation and communication of school policies and procedures as well as maximizing new student enrollments, maintaining regulatory and accreditation approvals, and the day-to-day management of staffing, training, development and performance of campus employees.

Prior to joining UTI, Ely worked for Sears, Roebuck and Co. for 25 years. Starting as a part-time employee, she advanced to store manager and finished her tenure as regional manager. During this time, Ely gained significant experience in management, sales, motivation, training, customer service and operations, for which she received company-wide recognition.

Ely is a member of the National Association of Female Executives. She has also served as a unit chairman for the United Way and the American Red Cross blood drives. Other volunteer memberships include Be An Angel Dog Ministry, Therapy Dogs, Inc. and Central Florida SPCA.

Ely earned a Masters of Business Administration with a specialty in global management from University of Phoenix in Phoenix, Ariz and a Bachelor of Science degree in education from Ohio State University in Columbus, Ohio.

About Universal Technical Institute, Inc.

Dianne Ely is campus president of the Orlando, Fla. campus of Universal Technical Institute, Inc. (NYSE: UTI), the leading provider of technical education training for students seeking careers as professional automotive, diesel, collision repair, motorcycle and marine technicians, offers undergraduate degree, diploma and certificate programs at 10 campuses across the United States, and manufacturer-specific training programs that are sponsored by the manufacturer or dealer at dedicated training centers. Through its campus-based school system, Universal Technical Institute, Inc. offers specialized technical education programs through several well-known brands, including Universal Technical Institute (UTI), Motorcycle Mechanics Institute and Marine Mechanics Institute (MMI) and NASCAR Technical Institute (NASCAR Tech). For more information, visit www.uti.edu.
